Allah Yarham Rouh Mariam

Dear Mohammad Hamed and the Mariam Foundation Team,

On behalf of the Canadian International Development Organization (CIDO), our Board of Directors, and our partners, I am thrilled to extend my heartfelt congratulations on the official opening of the Mariam Home. This is a momentous occasion, and we are honored to celebrate it with you.

We recognize the tremendous work and effort you, Mohammad, as the founder and president of the Mariam Foundation, and your dedicated team have put into making this dream a reality. Your commitment and perseverance to meeting the challenges over the last six years are truly commendable.

While we all take great pride in this accomplishment, the true beneficiaries are the Palestinians who will benefit from the safe and supportive environment provided to those battling cancer. Your efforts are making a significant difference in their lives.

As the founder and chairman of CIDO, I am proud to be Canada's official Mariam Foundation Ambassador. The partnership between CIDO and the Mariam Foundation is a major part of our humanitarian strategy. Canadians are deeply moved by the work the Mariam Foundation is doing to provide much-needed support and services to Palestinians with cancer, particularly children. We are committed to continuing our fundraising projects and will be making a second significant contribution to the Mariam Foundation before the end of the year.

Once again, congratulations, alf Mabrouk, to Mohammad, your outstanding team, and to all Palestinians on this momentous event. Best wishes for continued success and impact.

Warm regards,

CIDO is a registered Canadian Charity **#886428960 RR0001**
