

Honouring Khaled Shetayah and Danah Azizi's significant contribution to CIDO

Canadian International Development Organization (CIDO) wishes to express our deepest gratitude for the generous support of Khaled Shetayah and Danah Azizi, who were among CIDO's top donors last fiscal year (2024-2025).

Khaled Shetayah, and his wife Danah Azizi — a Palestinian couple who chose to turn their love for their people into meaningful action — donated to CIDO, the official partner of the Mariam Foundation and its fundraising arm in Canada, supporting children with cancer in Gaza and the West Bank.

Their support has strengthened CIDO's partnership with the Mariam Foundation and has helped provide care, companionship, and emotional support to children with cancer in Palestine. Their generosity reaches beyond financial assistance. It has brought comfort to children, reassurance to parents, and hope to families facing some of the most difficult moments of their lives.

We are truly honoured to have you as part of the CIDO community and sincerely appreciate the trust you have placed in our mission.

With heartfelt appreciation,

Shawky Fahel, MSM
